

RoHS CONFORMITY DECLARATION

We declare and guarantee that all our products are designed and manufactured in compliance with ROHS regulation 2011/65 / EU modified by the directive **2015/863** of March 31, 2015.

We confirm that all items that we place on the market comply with the maximum permitted concentrations for regulated substances.

The substances regulated under RoHS 3 are the following:

- Lead (<0,1% as a metal)
- Mercury (<0,1% as a metal)
- Cadmium (<0,01% as a metal)
- Hexavalent chromium (<0,1% as a metal)
- Polybrominated biphenyls (PBB) (<0,1%)
- Polybrominated diphenyl ethers (PBDE) (<0,1%)
- Bis(2-ethylhexyl) phthalate (DEHP) (<0,1%)
- Butyl benzyl phthalate (BBP) (<0,1%)
- Dibutyl phthalate (DBP) (<0,1%)
- Diisobutyl phthalate (DIBP) (<0,1%)

-Has all the elements relating to this declaration and is able to present them to the administration within the legal deadline.

- Agrees not to deviate from the requirements set out in this document without informing previously customers of these changes in writing. All new or revised products will comply with this conformity, unless opposite agreed.

- Have obligation of "due diligence" to meet these legal requirements.

-Agrees to update compliance statement in case of regulatory developments (especially with the publication of a new version of SVHC list) and to communicate the new version to the costumers.
